

## Elks Plan Youth Day to Honor 'Juvenile Decency'

Torrance will tip its hat in tribute to juvenile decency on Elks National Youth Day, May 1.

Ralph Jakubowski, exalted ruler of the Torrance Lodge, said that the Elks will lead a community-wide observance, focusing attention on the record for decency of the youth of Torrance. That record, he said, has been demonstrated by the overwhelming majority of this town's junior citizens through their achievements

## Distinguished Citizen Search Opened in City

Nominations blanks for Torrance's Distinguished Citizen of 1956 are being sent to all organizations in the community. It was announced by Chairman Mervin M. Schwab of the sponsoring Torrance Chamber of Commerce.

Schwab said the award, a beautiful trophy, has been presented since 1953 to the citizen whose achievements have been significant to their community and to the general welfare of the people of Torrance. The program is sponsored in memory of two departed civic leaders—Dr. William I. Laughon and Grover C. Whyte, former HERALD publisher.

Past winners have been Mervin M. Schwab (1953), Paul D. Loranger (1954), and Dean L. Sears (1955).

Additional nominations may be submitted by organizations or individuals on blanks which can be obtained on April 25th at the Torrance Chamber of Commerce. Deadline for nominations is May 13, 1957 with the award being presented at the Chamber's Annual Banquet to be held on May 23rd in the Municipal Auditorium.

in school and community activities and loyalty to the American tradition of democratic freedom.

**Free Show Planned**  
The highlight of the program being planned for Youth Day here is a free movie and stage acts at the Grand Theatre, Wednesday, for all Torrance youth.

The committee in charge of the Youth Day program is composed of Pat Huffine, Roger Holmes, Bob Kastrop, Gale Hunn, Ken Shepard, and Herman Sneakin.

The seventh annual Elks National Youth Day will be observed by the Order's 1800 Lodges from coast to coast. In his proclamation for this year's observance, Fred L. Bohn of Zanesville, Ohio, grand exalted ruler of the Elks, urged that Youth Day be made an effective answer to the blanket charge of "juvenile delinquency" so often levelled at youth.

**Youth Praised**  
"We have seen our youth in action, noting with pride their record of achievement in the schools, the churches, in the civic and social life of their communities. Rather than being made to bear the stigma of 'juvenile delinquency,' a term applied all too widely and inadvisedly nowadays, they should be receiving deserved recognition for their steadfast adherence to 'juvenile delinquency,'" the Elks' leader declared. "I ask every Lodge and every Elk to give this day meaning by holding community-wide observances which will show our young people that we are proud of them; that we stand ready to guide them in their every gainful endeavor."

R. S. Pyle, your Telephone Manager in Torrance

But whenever the need arises, we'll fix it for you at no extra charge. Your phone carries a guarantee that never runs out! This guarantee means service that's always dependable.

Useful is the word for this "Jeep Trencher." Maybe you've noticed one like it. It's a tough little ditch digger on a "jeep." We use it to scoop out a narrow trench for underground cables. It's economical and can be put to work on almost any kind of terrain. And you should see how fast it digs! Modern equipment like this helps us bring better service to more people.

**"MOTHERS DAY"**  
Coming up on May 12 is the day when the lady of the house is transformed as if by magic into a reigning monarch, mistress of all the surveys.  
Breakfast-in-bed, perhaps—served of course by willing male hands. Maybe flowers, dinner out, a show.  
Now we certainly have no argument with breakfast-in-bed, or any of the rest of those things. In fact, we feel that she deserves all this—and more.  
However, if she isn't at home, we at Pacific Telephone like to think there's no better gift for Mother's Day than a re-union over our wires which span the nation.  
And, even if she is at home and you're at loss for a present to serve as a reminder during the 364 days a year when she isn't queen, how about one of our color telephones?
